

The 90-Day Prosperity Experiment

Day 18: Green Fairies *by Kate Nowak*

Hello from my heart to yours!

You've got a plan now: a prosperous destination in mind, one you spend some time thinking about daily. You are beginning to recognize what it is you really want out of life. Over the last couple of weeks you may have noticed some changes you'd like to make in your plan, some ways you'd like to tweak it a bit. So feel free to do so. It's your plan. And as the chief architect of your life, you can change anything you like. Tweak away.

But be careful that while you're tweaking, you're not settling. Don't let belief in impossibility force you into taking your dreams down a notch. Refuse to let your insecurities tell you that what you want can't happen. Nothing is impossible. Nothing.

Even if your dream includes something as seemingly impossible as green fairies appearing in the middle of the night to clean your office from top to bottom, if that's your dream, hold on to it. Just don't be attached to how it happens, and don't let anyone -- including you -- tell you it can't happen.

Then you won't be the least surprised when some night while you're out later than usual, you drive by your office and notice a new van in the parking lot. Must

belong to the new cleaning crew, you'll tell yourself, just before you notice the words painted on the side of the van: GREEN FAIRY CLEANING SERVICE.

Dreams come true when we let them: Even the impossible ones.

Love your dream. Love possibility. And love yourself enough to let your dream be possible.

Today's Action Step:

1. Re-read your Prosperity Business Plan.
2. Place today's allotment of money in your container and read the affirmation on the container three times.
3. Bless those around you, including your fellow participants in this experiment. See those you bless prospering and surrounded by good. Then bless yourself and see the same. You may also want to continue blessing those on the blessing request list.

Today's Quote:

"Sometimes I've believed as many as six impossible things before breakfast."

--The Queen in *Alice in Wonderland*
by Lewis Carroll

Today's Affirmation:

"Nothing is impossible to me."
