

The 90-Day Prosperity Experiment

Day 62: The Question *by Kate Nowak*

Hello from my heart to yours!

Would you like to know an easy way to always give the most value in everything you give? It's very simple. All you have to do with each product you sell, or service you render, or idea you exchange, or job you do is place yourself in the recipient's shoes and then ask yourself this one question:

If I were receiving this, would I be pleased?

It's that easy. All you have to do to always insure that your give more in use value than you receive in payment is to honestly live by the Golden Rule. Treat others the way you want to be treated. Serve others the way you want to be

served. Respect others the way you want to be respected. Bless others the way you want to be blessed. Love others the way you want to be loved.

When you are asked to give, give more than you are asked. If you are expected to walk a mile, walk further. Do the best, be the best and give the best you can with what you can right now. And as you do, more will be given for you to do with, be with and give with. That's how the universe works.

And you will be living by the first Law of Stratospheric Success.

See. I told you it was easy.

Today's Action Step:

1. Re-read your Prosperity Business Plan and your Ten Eleven Things Gratitude List.
2. Take a moment to stand firmly with one arm raised to the heavens, the fist clenched as firmly as if you were holding on to the hand of God. Now either mentally or vocally affirm: *"As God as my witness, I will be powerful today, I will be brave today, I will be strong today, I will be fearless today, I will prosper today. And I will live each moment of this day embracing my true nature and moving closer to becoming the person I am destined to be. For today and every day from this point forward this is my truth."*

Note: If possible write this affirmation on a card that will fit in your wallet or purse and carry it with you so you can refer whenever you feel doubts or fears arising. And each time you repeat this affirmation, say the words with as much feeling and emotion as you possibly can, spending at least one full minute imagining every aspect of your life as you want it to be.

3. Place today's allotment of money in your container and read the affirmation on the container three times. Expect to receive in return.
-

4. Bless those around you, including your fellow participants in this experiment. See those you bless prospering and surrounded by good. Then bless yourself and see the same. You may also want to continue blessing those on the blessing request list. Reading the responses will give you an opportunity to see for yourself.

Today's Quote:

"The first question should be, 'Does it serve? Does it add value to others? If the answer to that question is yes, then you can go ahead and ask, 'Does it make money?'"

Today's Affirmation:

"I always give to others as I would wish to be given to."
